

HAPPY NEW YEAR, 2010

FROM THE PREZ

How about a big round of applause for those who did all the work for the Christmas Party. The party and awards committees included Bob, W8GC; Bill, WU8A; Tina, W8HBI; Gary, NI8Z and Ron, K8VJG. These members should be proud of the fact they put together one of the best Christmas parties of this century. Everything went well, including the weather. Judging from the comments overheard at the event, and those expressed on the net, most members enjoyed themselves to a high degree. The plans have begun for next year's party, and anyone who would like to help out would be warmly welcomed. Just contact one of the committee members to join.

2010 looks to be another event filled year for C.A.R.S. The winter meetings, VE sessions, and licensing classes are all on the immediate horizon. It's also not too early to think about the Dayton bus trip to the Hamvention. It always takes a lot of promotion to get the bus filled, so it would be a big help to start talking it up to fellow hams that are not in the club. Last year's trip was very successful, but we could have used a few more riders. It would certainly help to encourage anyone who is interested to sign up as soon as possible. People say the Dayton Hamvention may be in it's waning years, so not only is it a good idea to go while it is still convenient, but taking the bus is a hassle-free way to go.

I would like to make a suggestion to some of the newer or less experienced hams to help make the long winter more productive. Prepare for Field Day.

If you're new to HF, the first hurdle is getting your station set up. The equipment is costly; so for most, the first step is saving for the necessary components. Once the financials are in order, the purchases must be made. Fellow members are more than willing to give valuable advice based on experience. They can also help with setting up the station. .

If you're at this point, don't be bashful about asking for help. Every ham had to learn, and it always to better to learn from the mistakes of others. C.A.R.S. members are always willing to assist a fellow ham. After the station is

operational, good practice can be obtained working special event stations. A lot can be gained working through the "pile-ups". There are many special event stations active most weekends that are listed in *QST* every month. These stations offer a really low pressure way to get practice. With your comfort level raised, contests and DXpeditions can be worked to gain additional experience. All this is a great way to prepare for Field Day, which is just a few flips of the calendar away.

Don't forget to melt some of the ice off your 2 meter antenna and check into the weekly Wednesday nets, and make plans to attend the next monthly meeting.⁷³ Toby, WT8O

NOVEMBER MEETING MINUTES

The C.A.R.S. November monthly meeting was called to order at 7:35 p.m. by President Toby Kolman, WT8O on the 10th of the month. The meeting was held at Bush Funeral Chapel Community Room in Parma, Oh. Thirty-two members and five guests introduced themselves to begin the meeting.

Matt, W8EBB motioned to accept the October minutes as published in the November Wobbly Oscillator, and Bill, WA8GEO seconded. There were no additions, corrections or questions so the members passed the motion.

The Board members decided to have only one license class a year. They also decided to have only one drawing next year for the Scholarship. The Board also decided to move the EchoLink to the repeater site.

Bob, W8GC then gave the treasury report and stated that the treasury was about same. He then talked about the Technician, General, and Extra classes. Bob also mentioned the scholarship raffle. Bob also mentioned that there are still some scholarship tickets left to buy. He said he had Christmas party tickets too, for anyone that needed some.

Toby, WT8O gave the Net report and thanked all the net controllers and also thanked everyone who checks into the net and encouraged anyone with a two meter radio to check in. Toby also asked that

people to please do not key up the repeater and un key with out giving your call sign. When you key up the repeater please announce your call.

Eddie, KD8FTS asked anyone joining the ARRL, or renewing their ARRL membership to please do it thru the club. He then asked everyone to check out the club's interview page under the members page on the web www.2cars.org/clubsurvey1.htm.

Steve, N8SRJ Thanked everyone who sent emails or cards for his knee surgery.

Scotty, WA8SLN, our Sunshine Chairman, sent out one card one to David, WD8IOU's wife who had fallen and hurt her leg. We hope for a speedy recovery.

Gary, NI8Z gave VE report and said that he would be staying on for another year as the VE team leader. He also said the dates for next year have been set at the second Sunday of the odd months. He said Matt, W8EBB and Darren, K8DMT had joined as VE team and that he was going to put up a sign in sheet for VE's so he would know who he would have each month.

Dwaine, K8ME couldn't make the meeting but let the club know that there will be a bus trip again next year so if interested let him know. Plan for it early, it comes faster than you know.

Tom, WB8N, asked everyone to send articles and pictures for the WO.

Members voted on new members Chuck Timblin, N2MHA and David Rickon, KD8JRH. The members passed the vote.

Dave, KD8V said the Copley school club is very active even though it's a small group and wants to thank everyone in the CARS club who helps. He then thanked the VE team for all the help. He said some of the kids that were in the middle school are now in the high school.

They hope to get the antennas mounted at the high school very soon. Dave has about twenty kids at the middle school that come to the Ham Radio club.

YEAR END REPORT

By Gary Dewey, NI8Z

The financial book was opened for the 2009 C.A.R.S yearly audit. The audit team consisting of WT8O, W8GC, W8HBI and NI8Z conducted a thorough review of the clubs financials for the past year. The audit was conducted Dec 15, 2009. The results indicate the Cuyahoga Amateur Radio Society is conducting business in a sound non-profit process, leaving the club financially sound and ready to proceed fiscally strong in 2010. The club has an extremely qualified Treasurer. The treasury is in good shape. CARS as everyone knows, sponsors two scholarships each year. The club expects to continue to support that in 2010. However, the new year is upon us to renew membership for a strong HAM presence in our community and in the amateur world this year. The club will be presenting a full year of activity that members can become involved.

2009 VOLUNTEER EXAMINER REPORT

By Gary Dewey, NI8Z - V.E. Coordinator for C.A.R.S.

The Cuyahoga Amateur Radio Society VE team held nine (9) examination sessions in 2009. Two end of class tests, one at Copley Middle School and six regularly scheduled tests at the Olde Town Hall in Independence.

During the course of all these test sessions eighty-six (86) individuals came to attempt to become either a new amateur or to upgrade their license. Sixty-five, or roughly 73.9 % accomplished their goal.

Thirty-five new Technicians joined the amateur radio action, twenty-two upgraded to General Class and eight became Extra class operators. Again, congratulations to all of them.

The Volunteer Examiner team, which now include twelve VEs, have been a basic asset to the testing program that is an integral part of the *continued next page....*

C.A.R.S. activity. Special recognition is given to the team which performed with excellent results: Metro Sinko, W8MET, Lawson Shields, WA8SLN, Robert Check, W8GC, Steve Jones, N8SRJ, Ron Borkey Sr, K8VJG, Steve Riley, N8IS, William Sarver, WU8A, Roger Boehnlein, N8TCP, Darren Turk, K8DMT, Tom Wayne, WB8N, Dave Kushman, K8DAV and Matt Webb, W8EBB.

The 2010 VE schedule is posted on the CARS web page. The regularly scheduled test date is the second Sunday of the odd month at the Olde Town Hall in Independence. The time is 9am. The sunspots cycle is improving so we look forward to all who want to use the spectrum the FCC has allotted to the amateur radio community. CARS will be giving licensing classes in the Spring of 2010. Check at the C.A.R.S. web site at www.2cars.org for information or to sign up.

2009 CARS Christmas Party

By Bob Check, W8GC

Another successful Christmas party at the Independence Civic center is in the books. A great time was had by the 65 people who attended the Party.

A fine buffet meal was served by Damon's consisting of green beans w/bacon, mac & cheese, garlic mashed potatoes w/gravy, brisket of beef, grilled salmon, grilled boneless chicken breasts. Dessert consisted of a wide variety of donations from our members: cheese tray, cheese cake, 4 cookie trays, 2 breads, cup cakes, 1 large decorated cake, 3 pies along with other misc goodies.

Santa arrived as the meal was ending.

He visited each table, passed out candy canes and posed for pictures at all of the tables plus with children of all ages!

Santa needed a little break so he sat on Bruce, N8DJX's lap, looks like Bruce was happy? to offer his lap and say hello to Santa.

Bruce, N8DJX and wife Johanna donated the beautiful center pieces we had on each table. Johanna hand made these and filled them with candy.

Santa then pulled the winning tickets for the door prizes, Scholarship raffle and 50/50 before heading back to the North pole.

Toby WT8O handed out the 2009 Awards, Darren, K8DMT a President's Outstanding Service award, Steve, K8SAS an award for the most check-ins to the CARS Wednesday night net, Dwaine K8ME for his outstanding effort in organizing the Dayton bus trip, David, KD8ACO for his effort as a license class instructor, Adam, N8MOX received a plaque as Rookie of the Year and Metro, W8MET a plaque as CARS Ham of the Year.

THE RANDOM WIRE

By Tom Wayne, WB8N

A NEW BEGINNING ?

Here we are at the start of a new year.

Wow, I wonder what 2010 will have in store for us? I hope it is all good for all of us.

I hope the sun spots start showing up more so that band conditions will improve.

I want to operate ten meters again, like it was when I first got my license. Man! You could talk all over the world with no problem. It was great!

I hope that the Cuyahoga Amateur Radio Society continues to grow, and continues to have the great leadership we have become accustomed to.

I hope that those of us who are planning on upgrading their license class do so this year. No more procrastinating! You know who you are.

I hope we do even better than last year on Field Day, 2010.

I hope I get to Dayton this year and that those of you that have never been to the Hamvention get to experience it this year as well.

I hope that everyone that is wishing for their dream station gets it this year. Wouldn't that be great?

Well, that's enough hoping for now.

CLIQUEY CLIQUE

We have elected officers for the coming year and that includes some new (or not so new) board members. These are the guys and gals that more or less run the Cuyahoga Amateur Radio Society, and most of them do a great job of it. I myself feel that our President, Vice President, Secretary, and Treasurer will do a fantastic job in their terms in office. I think that we have also elected new board members that will take their jobs to heart and put forth their efforts in the best interest of C.A.R.S.

The point I am getting at, is that in the past, I have heard mumblings amongst the membership complaining that there are *cliques* in the club, and that the cliques run the show. Well, I have to disagree. Granted, certain officers have been in office of one position or another for quite awhile, but ask yourself why? The reason is that for the most part, the membership feels that they are the best man or woman for the job and no one else is

nominated to run against them. To me, that says that the members must feel that the officers are doing a good job and that they want C.A.R.S. to continue to be a successful and growing club, both membership wise but financially as well. C.A.R.S. sponsors license classes, promotes education through the scholarship program we have, subsidizes the Christmas party, pays for rental for a Field Day location, and takes care of any expenditures regarding the maintenance of the repeaters, among other things.

If a member feels that the leadership is too much of a clique, then why doesn't that member run for office their self or nominate someone else that they feel could do the job and have the *time* to expend on doing the job. The same goes for the board members. Some of the present board members keep getting re-elected, and even the newly elected board members for the most part, have held office as board member or some other elected position in the past. Why do you ask? It's because the majority of the membership feels that they will do a good job in their elected position.

Being an officer of C.A.R.S. in any capacity takes time and effort. There are meetings to attend, committees to be on, which requires more meetings, and it requires a dedication to C.A.R.S. As I said before, anyone can nominate anyone else, or themselves. If you think someone else or you can do a better job, then let's hear from you. If not, then cooperate with the powers that be. Join a committee if asked. Volunteer for the public service events we participate in. In other words, get active in **YOUR** club. Nuff said.

LET IT SNOW, LET IT SNOW....

As I sit here at the computer putting this issue of the W.O. together, it has been snowing most of the day. Now I'm not really *continued next page....*

crazy about snow, but I have to admit that I am glad we *finally* got a few inches of it around here. As I was watching the Brownies win another one yesterday, I saw the snow falling on TV. I know that N8TCP is probably jumping up and down with joy. Try to control yourself Roger. I'll have to go out later tonight and use the snow blower for the first time in 2009. Thanks to a fellow C.A.R.S. member, (I'm not mentioning any names but his callsign is N8MOX) it is up and running again after breaking down last year. Thanks pal!

OUTTA HERE

I can see by the ole clock on the computer screen that it's time I got outta here for this month. Happy New Year everyone., 73,

2010 Dayton Hamvention Bus Trip

CARS is again sponsoring a Bus trip to the Dayton Hamvention, the 2010 bus trip will take place on Saturday May 15.

The Bus trip will cost \$40.00 dollars per person, we need a minimum of 35 people to break even, the bus will be stopping for breakfast on the way down, with a brief stop on the way home for quick bite. You are responsible for your food and Hamvention ticket costs.

The bus will be leaving at 3:30 am from the Kmart parking lot at the intersection of Engle Road and Bagley Road, in Middleburg Heights, Ohio, Engle Road is a 1/4 mile west of I-71, which is the first intersection you come to, Kmart is behind the BP Gas station. Vehicles will be safe, there will be security to watch cars.

Bus tickets must be purchased and paid for in advance. If we do not sell 35 bus tickets by May 8, 2010 the bus will be cancelled and your money returned.

If you have any questions please see Dwaine K8ME at a cars meeting, CALL 440-582-3462 or go to www.2cars.org and click on Dayton Bus trip to reserve a seat or pay by PayPal. Checks can be sent to: CARS, P.O. Box 31264, Independence, OH 44131-0264 attn. Dayton Bus committee
